Thread: [FREE SMS SPOOFING SERVICE | SEND ANY SMS FROM ANYONE | TROLL YOUR FRINEDS!](#)

Mahatma gandhi - July 7, 2013, 3:38 pm

Hey guys,

I am providing a Free SMS spoofing service.

You can send anyone any sms from any number/name.

Lets say you want to Troll a friend of yours.

Then send me his phone number and the phone number/name you want to send the message from.

Also include the message you want.

Example.

The number/name the number comes from: "Steam Support"

Your friends number: xx

The message: Dear "Gamertag",

Your steam account was banned due hacking activity,

Please contact the support on our website: <https://support.steampowered.com/> for more informations.

So simply comment below with this things.

Number/name the message should come from:

The target Number:

The message:

I hope you enjoy my service.

Thanks,

~Mahatma ?

REMEMBER: I ONLY DO 1 MESSAGE PER DAY FOR EACH PERSON!

This works for this countrys: (tested so far)
