Thread: [\[Free\] Word list pack \[Free\]](#)

Bitcoin Magik - July 8, 2013, 12:54 am

As my first post, I'd like to give away my word lists and combo lists that I've made/collected from other forums. They are great for cracking anything! (P0rn, steam, etc..) If you want this pack, just post here! I'll send you a message shortly!

If this is the wrong section, I am really sorry. Please move if needed.
