Then he made a new skype account Acting link Anonymous ---> Legion Stresser

On the last part of the conversation, i asked him in my language (also gonzo his language) that he thinks im stupid. He replied with yes in our language ;)

This is him acting like anonymous proof 2

I hope nobody will buy from this person.

<http://prntscr.com/1ffq7w>

He came to say sorry for what he did. He (gonzo) is talking in his language right now.

Then he deleted me again.
