Kotei - July 16, 2013, 11:03 am

We have a new admin, whew. Congrats man. ^-^

<https://hackforums.net/member.php?action=profile&uid=65784>

He is tasked with catching multi-account holders and ban evaders.

Juks - July 16, 2013, 11:04 am

I thought he has been admin? did he get removed from staff and re-added?

SoulZeh - July 16, 2013, 11:04 am

It's been tweeted and posted in the news, no need for a thread.

Hazy - July 16, 2013, 11:04 am

That is great news. I'm 100 percent sure he will do an amazing job.

Vegas - July 16, 2013, 11:04 am

Well sniff my titties and iron my sheets. There's a new Sheriff in town.

EDIT: Oh, you mean the news suggestion. Most people don't read that. Besides, no one will care in a week.

Dseko - July 16, 2013, 11:07 am

That's really great! Congrats for him.

?pade - July 16, 2013, 11:08 am

Been staff long enough lol, congrats on admin

Br?ndon - July 16, 2013, 11:11 am

Awesome! Congratulations on the promotion man! :)

Raf Simons - July 16, 2013, 11:18 am

Congratulations to Xch4ng3. That promotion is very much deserved.

Industry - July 16, 2013, 11:21 am

I've talked with Xch4ng3 numerous times on HF about many things. He's a professional, honest and easy to talk with person. I think he's more than qualified for his new position. I hope everybody now treats him with the respect he has always deserved, as all staff should be.

h?cker22 - July 16, 2013, 11:23 am

The promotion was much deserved.

He does so much for HF, but seeks no recognition for his deeds.

Congratz to him.

Sir - July 16, 2013, 11:23 am

:/ Well I'm not in here to start smooching anyone's ass. But good for you Xch4ng3, I was wondering when we were gonna get a new Admin.

Tate - July 16, 2013, 11:25 am

Finally a staff that does his job and gets promoted for it. Attn allmentirs and staff,, be luke him

Rage™ - July 16, 2013, 11:25 am

Congrats, Xch4ng3. When I've talked to you, you were a straight forward, and down to earth guy. Good luck, and I was wondering if we would ever get another admin.

Lovol - July 16, 2013, 11:26 am

Very well-deserved promotion. It's very obvious that with his tenure here, Xch4ng3 has done a lot for the site.

Zain - July 16, 2013, 11:27 am

Very well deserved, Xch4ng3 does his job and does it well. I'm sure he'll make a great admin.

What are you saying?

Skill - July 16, 2013, 11:29 am

It's been a long time coming. Xch4ng3 has proven countless times that he has got what it takes to take on such a role.

I completely agree with what Industrialized™ has mentioned; Xch4ng3 is one of few members who attain such attributes and I believe he will give the Admin team that extra boost that it's been missing since Judge Dredd's era.

Congratulations, Xch4ng3! Well done on making it to the top.

Congratulations to him, a promotion was well deserved.

Skorp - July 16, 2013, 11:48 am

I agree, he is very nice and calm, most definitely above a HQ member aswell. Goodluck on the new position.

Congrats he is my favorite staff!

I imagine he will do well at his new position.

He's always been a great Staff member and he's been at it for a long time now.
I imagine this will help tons with Factor 8 as he's been pressed for time as of late and now he can solely focus on the contact email.
Congratulations and best of luck on the position, well deserved.

Staff take care of things within a timely manner; whether it be PMs or reported posts.
Just remember, they have to deal with the ban evaders, spamming, etc. as well, all at the same time (when they are online).

And Mentors don't have to do anything. Mentors are given the power to take of things they feel is necessary. They are not forced to do a single thing, though being inactive doesn't help your chances of staying on the team (unless you're ex-staff).
Take it from a member who was a Mentor for a year and tried his ass off.

Well deserved, good luck being admin :)

Tutelary - July 16, 2013, 12:43 pm

I like the fact that he was promoted, but Omni REALLY needs to have a clear-cut policy on reporting and squashing reputation abuse. Even since JD was removed and the reputation abuse forum as well, there's been LOADS of people calling people scammers, flaming, even posting DOX's in reputation. (Omni handled that special case, though.) We're in 'Limbo' because we don't know how to contact with our supposed abuses.

FroStorm - July 16, 2013, 12:44 pm

Well, he deserves it. He has stuck to his duty for a long time. Time to take it to the next level.
Gratz Xch4ng3.
