Black ops 2 bro :) Let me know asap please. Like what im asking. Just say u make total kills 30k. Do the kills on each game mode. eg team deathmatch. match total kills

OhSatan - July 23, 2013, 10:33 pm

All kills stick from what I choose from my accounts to exploit.

Updated thread some members get it sooo confused.

BO2 : Duplication (I have a total of 15-20 accounts to choose from) (BO2 Recovery's are a automatic ban on ps3)

Mw3 : Recovery you can choose anything you want.
