Thread: [\[FINISHED\]Giving away \[3\] free copies of Just Cause 1 through steam.](#)

Invasion - July 20, 2013, 11:59 pm

Yeah, Just Cause 1 was on sale for 27c a piece, so naturally I decided why not and bought 4, 1 for myself. The other 3 are just going to be given away at random.
You don't actually have to do anything, just be the first 3 to post your Steam, and you will get it.

I'll edit once the games are gifted.

Thanks,
Invasion

EDIT: DONE, everyone is receiving their games. Closed
