Content : 8/10 {Noob friendly + Pictures support }

Grammar : 7/10 {No grammar mistakes , but a bit poor as of it's grammar content}

Results :

This is a small e-book with a good ammount of explanations about it's moves. It will guarantee you some more; Ofcourse more than you bought it for.

Your earnings won't be huge but as I resaid before more than you bought it.

A smart method with results as it uses a "trick" to pass over the "tasks" that are asked to be done in order to get paid.

My final grade about this e-book :

8/10

Every "Newbie" can do this Method. I will post Proof of earnings soon.

If this was bringing you money, you wouldn't sell it...

Also if this was bringing you money , you would have gotten l33t.

Anyways.. I don't know ..

Good luck.

Go sell it somewhere else.It's not allowed here.

Incorrect - July 24, 2013, 8:12 am

I would take a vouch copy if you dont mind and fully review it.

Regards.

It cannot be saturated so that is one of the reasons I am selling it, and in response to your other question, I stated that it will help me get l33t, every extra income is going to help me get there faster, so I am 1. Giving you the option to at least double your investment, and 2. helping me get l33t faster.

Thank-you for your response!

Again, My apologizes for this method being pretty known, I would say to this that you are going to 100% guaranteed going to double the amount you paid, and therefore if you don't make any money from it, then I will pay you back.

Seems reasonable for the price. I've seen methods like this but it is not saturable. If you have a jailbroken device and everything that he claims to be in the guide is true, then you will easily make your money back. GLWS

If you just said this can't be saturated, you don't know anything about this tab of the forums, all methods are ready to be leaked any time therefore making them saturated, and I'm curious why you don't have l33t if your making money from this.

This method cannot be saturated and this means that any number of people can use this method and still make money from it! Thank-you for your interest, Conium.

I would like to inform everyone on this thread that I am away until the 31st and will not be able to send the ebook out until I am back as the link is broken, I apologise for this but would still like anyone that is interest to post here or Pm me in regards to purchasing this ebook or any information that anyone needs! Hope you all have a great few days, see you soon!
