Seems too interested, can you please send me the DL link?
Thanks in advance.

Nam Duong - July 31, 2013, 10:40 am

Sent it to you guys, sorry if you got double PMs. That was bad on my end. If the link still doesn't work, just pm me again and I'll figure it out.

I would have loved to have something like this when I had started graphics.

I'm sure plenty of users will put this to good use. Nice release.
