I'm giving away 450 Free 40 Point MCR codes. You can use 1 code per MCR account and 1 code gets you a free coupon of either Coke or Powerade.

Simply sign up/sign in to www.mycokerewards.com and enter one of the codes. Then go to Rewards Catalog and redeem your free coupon and your coupon will be shipped to you.

The MCR Codes expire tomorrow (08/01/2013) at 11:59:59 PM Eastern Time so use them fast.

No problem guys. It would help other members if you post what code(s) specifically you used so they don't try the same one(s).

You may think it is, but what if you got the powerade and it made people crazy and the people who own it can take over their minds and make them say what they want to say!

Well, then that'd be bad... and hopefully that's not what's happening.
