Thread: [Brazzers Accounts](#)

Am I allowed to sell or give away brazzers accounts?

?NoShame - August 1, 2013, 8:44 am

I think the selling of porn accounts is not allowed, not sure though.

No, you cannot discuss anything related to adult content. This includes accounts and sites.

No porn accounts/sites/discussion is allowed here. We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

You're a Leet member, you can close this yourself by pressing the Close button on top of the thread. Also, next time I suggest you look through the [Help Docs](#) before asking a question.

Using the [allhelp.php](#) page is a good way to search for rules! :)
