Pastebin Manager

Screenshot ([Click to View](#))

Download ([Click to View](#))

[Mega.co.nz](#)

[Mediafire.com](#)

[VirusTotal.com](#)

Update 1.1 Insert global error handle

Update 1.0 Write first code

If there are errors send me PM [Click Here](#)

Madara-Uchiha - August 2, 2013, 10:06 am

Loks pretty cool.

Gonna test it now:)

Gibt: Add credits for the theme

aleeeeeeee - August 2, 2013, 10:30 am

i did the theme there is in the pastebin screenshot too

Marwix - August 2, 2013, 3:55 pm

looks nice and done, i like this one, i will test it.

Filisko - August 2, 2013, 4:44 pm

woow! good job man! :) congrats!!!!

NETExplorer - August 2, 2013, 6:17 pm

Looks nice!

Also, what is that sexy looking metro listview???

Percocet - August 2, 2013, 6:36 pm

I think that's the default view for Windows 8. I might be wrong though.

Spadassin150 - *August 2, 2013, 7:07 pm*

Looks nice good job you did well :)

aleeeeeeee - *August 3, 2013, 6:19 am*

update the program and the thread...

th3-whit3-hack3r - *August 4, 2013, 1:42 pm*

It looks good and thanks for sharing it!

C3oI - *August 4, 2013, 1:47 pm*

did u use there api should be very simple

SkyRider2 - *August 4, 2013, 9:18 pm*

Nice job man, keep the good work up :)
