Thread: [*PS3* MW3 Recovery Service 100% Free and Legit.](#)

Lukas - August 2, 2013, 7:32 am

Hello all of my Hackforums friends. Today I am here to announce that one of my good friends is doing an MW3 Recovery, for free! I know this may sound too good to be true, but it is not, and I can provide evidence that it is not.

NOTE : Please read the full thread before commenting.

Proof:

Spoiler ([Click to View](#))

The reason he is doing these for free is because he says he feels like giving back to the community, and instead of always receiving, he is giving. And when he looked at other hackers' prices, he saw that they were way over priced, and that leads to why I'm here making this thread.

What do you get?

What you get on the MW3 Recovery includes the following:

God Mode / Invisible - Class (Second class is god mode and invisible, you don't need to be host)
Full Unlock: Unlock All (All Weapons, Camos, Challenges, Titles & Emblems, Pro Perks, Modded Classes, Everything)
High Stats on Leaderboards
20th Prestige
Level 80 (Max Rank)

How do you get in contact with me or him?

You can contact him via Skype: worrorpsnrecovery

For those who don't know, a recovery service is when the user logs into your account, and proceeds to unlock all of the guns, etc for you. This guy is a respected user on the well known,

gaming and tech forum, NGU (NextGenUpdate). He has over 35 "Thanks" on his thread, but as we call them on here, they are called "Vouch's".

Here's some proof of the legitimacy of my friend:

Here are some "Vouch's":

Here is a picture of his profile on NGU, for further more proof:

If you'd like to view his other recovery services that are extremely cheap, please click [here](#).

Neither of us are held responsible if you get banned.

Thanks for looking at my thread, if you have any further questions, feel free to PM me, or add his Skype.

I understand but you shouldnt tell someone "ill do yours know" and then have them waiting 6+ hours. I'll wait the time, just stick to your word.

Make sure you do not edit the second class or it will not have god mode anymore.

Yea, sort of sucks. Also if you buy a BO2 recovery from him. Don't choose 15th prestige, you'll get banned instantly. Take it from me. ? On the other prestige's though, you will not.

Rayzah - August 2, 2013, 9:55 pm

Hes doing my account now, will let everyone know how it goes. (Blackops2 btw)

Mind telling me what prestige you ordered?

Rayzah - August 3, 2013, 1:39 am

Hes doing my account when he wakes as hes been really busy today. Black ops 2 recovery. will let everyone know once he wakes up how it went. he said its his first job tomorrow :)

Disappointed. waited hours for his reply last night, he said hed do it in the morning. Waited atleast another 4 hours today, no reply. Disppointing. Was paying also.
