Story: So i purchased 13 usd worth of likes from "Hesco" on 7-21-13 and i asked him to Finish the order asap because i really needed it. He then said it would take 2-3 days. I then waited 2-3 days and 1 of the 2 pages were complete. He then said the other one had a problem. I fixed it within the day, and 4 days went by and nothing happened. I contacted him and he said it would be done within that day. Another 4 days passed and now i lost all my likes on the first page and have not increased on my 2nd page. He then said he "re did it". But still nothing on 8-2-13. He took so long that I purchased from a different user in the mean time.

I doubt Hesco would scam you over \$13
That being said all your images don't work.

Misunderstandings happen, especially if you aren't patient.

Please fix your images.
