Someone post their profile. I'll check out the followers for myself. Last guy said they were real too... I purchased and guess what. FAKE xD A quick look at their profiles will let me know real fast if this is legit or not. I check more than one profile. Out of the 1000 followers I got from some other guy. 1 - 2 profiles actually looked like real people. Had about 100+ uploads, 200 followers, and following 164. That is a legit profile! 5 pictures, 10 followers, and following 8000+ is fake. any profile with a massive amount of people they follow and only a few followers are fake as a dog!

EzBRO - August 15, 2013, 10:49 am

LOL, this guy is trying to trick people, he -3 me because I'm stating the truth. Basically to sum it all up, they are not fast, not real, and seller thinks he's cool because he can -3. Good day.

It's not hard to bot for real-looking fake accounts.

AGAIN: TO ANYONE PURCHASING, these are nicely done fakes, but they ARE NOT REAL. As in, they are not active and do not like your pictures/comment on your pictures. PURCHASE WITH CAUTION IF YOU ARE LOOKING FOR ACTUAL FOLLOWERS (ACTIVE ONES)

TheGreat1 - August 25, 2013, 3:09 am

He's service is good BUT followers are not real. They are fake. They don't like pictures or comment.

Most of the profiles have 5 pictures... Which is quite suspicious and some are following the same amount of people.

They have a BIO and a profile pic.

You need to change your thread to 'REAL LOOKING'

Thank tho, I'll be purchasing again.

Well these followers are definitely not real. They are the usual fake followers that just have 2-5 pictures.

They don't like your pictures and are not active, don't know why you are saying they are real. Nothing special about his followers compared to others.

Lol if you added 2k followers to a brand new account and upload 1 photo, the photo wouldn't have a single like.

Lol if you added 2k followers to a brand new account and upload 1 photo, the photo wouldn't have a single like.

Of course its not gonna have a single like if u just uploaded it.

These are real people they will like the photo when they get on.
