MSDN NetWork Partner Accounts Guide

I am selling this guide on how to get MSDN Admin Accounts and invites! This guide does not require any requirements. It will give you an MSDN Admin account, YOU CAN EVEN GET MORE THEN 1 ADMIN ACCOUNT! Each admin account = 7 normal invitations so this means you get to invite 7 people along with that! People sell MSDN Admin accounts for over \$100 so buy your guide on how to get alot of MSDN Admin Accounts for just a trade! Any questions? Interested in buying? Add Mikes@rsbot.org

Review (Ratings on a scale of 1-5)

=====

Quality of Information: 1.5 - This eBook had very low quality information, he didn't give any support what so ever, no details, only what to do and how to do it.

Ease of Use: 2 - It was kind of hard to follow. Because of how many different colors there is in it.

Layout: 1 - The layout was horrible, it was just a bunch of different colors, and all capital letters.

Grammar: 2 - The grammar was horrible, it lacked punctuation, and none of it looked like a normal English statement.

Originality: 0.5 - I have reviewed many other eBooks like this, and they were exactly the same. I mean exactly.

Notes: This eBook looks like it was put together in 2 minutes. Do you wonder why I say that? Because, it took me 1 minute to read it. And it was exactly the same as another eBook I reviewed, which was the same topic. I do not suggest buying this, the seller of this eBook bought this from someone, and doesn't have sufficient resale rights for this eBook. (He is reselling the eBook by: Marky95.)
