Thread: [Creating a crypting service, need vouches! free fud crypting service](#)

**PEMaster** - August 8, 2013, 10:01 pm

I'm going to crypt your files for free i need to gain vouches as im going to open a crypting service.

This crypter will encrypt your file and inject the virus into VBC.exe

requires 2.0

I will be coming out with a native crypter later on.

pm me with download link to your trojan virus.

Vouch for this. He encrypted my bin, to FUD. Thanks..

**Shihanus** - August 8, 2013, 10:09 pm

Pmed him with my bin and took only a minute. Fully Undetected.

**PEMaster** - August 8, 2013, 10:30 pm

Ty guys for the vouches i appreciate the feedback, really i do.

**sauron321** - August 9, 2013, 9:24 am

Can you crypt for me? will vouch for you.
