I was suppose to be buying a 2day trial for \$2,
if he scams for \$2 he must be desperate..

I'd strongly recommend not dealing with this user.

we no one buys 2 day trials for 2 bucks. lol 14 days are worth 1.50.

Eh??? - August 10, 2013, 2:50 pm

That's pretty sad, who would scam for \$2..

Rayquaza™ - August 10, 2013, 2:50 pm

Not only did you get scammed, you were going to be ripped off. 14 Days are \$1.50 and there are public methods that allow you to get one free month.

I really never seen l33t members go this low for \$2 that's just sad..

Hate Sleeping Alone - August 11, 2013, 12:11 am

you are just too stupid because you should have read his reputation.

what do you expect from a new member who bought leet early and gives away free money for rep and has 3/4 open scam reports where he never responded?

SQUAD. - August 11, 2013, 8:23 am
