Thread: [\[COMPLEXITY\] Metal Signature // Bullen's Tutorial #1](#)

Triestri - August 10, 2013, 4:48 pm

Hello Guys today I will explain you how to make metal signature

1st // Make a new document with these dimensions : 600x200
and for color mode be sure to use "Grayscale"

[img]http://img196.imageshack.us/img196/1924/uolo.png[/img]

2nd // Now use the Paint Bucket Tool and fill the background with #33 Color

[img]http://img843.imageshack.us/img843/9030/7yio.png[/img]

3rd // Choose the font you like and type whatever you want :D
Select the text and then center it

4th // Open Blending Options and follow the images bellow
