Many tears were shed over these 3 episodes.

Am somewhat mad

Inori - August 18, 2013, 1:15 am

Such a depressing ending D: I really wished for a different ending :(

They are not OVAs they are actual episodes.

Also, I think this would go in the Official Oreimo 2 discussion thread.

TheDevilGod - August 18, 2013, 2:15 am

I'm very sad now. Why couldn't they just change the ending and have them be together forever? :(

Cody - August 18, 2013, 3:49 am

KURONEKOO!!

T_T tears all over, had the same feeling during the VN.

KinGxKeV - August 18, 2013, 5:37 am

Actually, they are considered OVAs: <https://puu.sh/44Oox.png>

So, this thread is justified.

?Taiga Aisaka? - August 18, 2013, 9:09 am

I really should have ended it when they got married and kissed.

Alexchaos - August 18, 2013, 9:47 am

Oh my god.. If only Kirino didn't exist!

Kuroneko or Ayase would've been so much better. :(

Elfen Lied - August 18, 2013, 10:24 am

Wow well that was interesting. I'm kind of glad they didn't Spoiler [\(Click to View\)](#)go ahead with all the incest, to be honest I was pretty satisfied with that ending, I can't see him getting with any of the

other girls now though, well it's over now so that doesn't matter.

Lelouch Vi Britannia - August 18, 2013, 3:04 pm

I'm done.

I'm done.

I can't take it anymore.

I just, just can't.

I can't stop crying.

Fuck.

topsykrett2306 - August 18, 2013, 10:27 pm

Well after dodging 2 days of spoilers I finally got around to watching these and..

Spoiler ([Click to View](#)) I would've preferred any end other than this. I really enjoyed this season.. I really enjoyed the characters and premise of the story. I knew how the LN ended.. but actually watching it now made it seem like complete garbage. Why would he turn down all those girls to spend only a week in open love with Kirino? Why is that a good idea? It's stupid. It was a cop out ending in my opinion.

Looking at more than just the VERY END.. the whole story told in the ova's was a complete letdown. Everything seemed rushed and just really awkward compared to the rest of the season. I mean, all of those girls confessing basically at once? Bleh. I did not want it to be like a full on harem and it didn't feel like it until this point. Some events just seemed completely "out there". Also, character interactions seemed way off too. I had high hopes and really the cop out ending was just salt in the wound. After all that they should've just either went full on Kirino end, or had him choose someone else. Now he just seems stupid to me. The whole thing does really.

Oh, and there was no Ayase.. so yeah theres that too.

Just had to get that off my chest. Rant over.

Lelouch Vi Britannia - August 18, 2013, 11:29 pm

I would rather had him fall in love with and "marry" kuroneko.

Kuroneko had feelings for him as well.

If I had that opportunity I would definitely take it.

Kuroneko is better than ayase.

I liked the ending o-o (I think I'm the odd one out..)

Spoiler ([Click to View](#))

Manami is still worst girl

Yeah she is a total major cunt nugget bitch.

Hentai? - August 19, 2013, 9:52 pm

Well after commentating on every little detail for hour on skype I gave up, this is best and worst ending of all time.

rinluvr - August 31, 2013, 2:17 am

So I finally finished this. (A bit late I know).

Oreimo was actually one of the first Anime series I started watching and I actually enjoyed the series.

The ending for the second season I felt was satisfactory. That being said, the only reason I was able to sit through the OVA's

was because the time and emotion I have already invested. Personally, I felt that the ending was horrible. I was actually pretty mad.

Spoiler ([Click to View](#)) First of all, I have 2 younger sisters, so that type of relationship just doesn't sit well with me. Even looking past that, from what I saw, Kyosuke basically ruined a close friendship over a temporary lover thing.

These are just my personal feelings and I mean no offense to those who differ in opinion.

#Doge - August 31, 2013, 8:47 am

I really hate the ending. It became a pile of dogshit to me after watching the last episode.

Damn. After all the trouble Kyousuke went into and all the girls she turned down for his love for Kirino, he simply agreed to return to normal in the end.. Really a shitty ending. :<

I guess you did not watch the ending closely

The author ment to try to make it so they now have a "secret " relationship

He even kissed her at the end which is not normal sister brothet relationship

I remember someone saying the authir was trying to make it so it seems like they are togethet still

Most people were mad because it was an incest ending even though this is a romance anime genre
