Rob Zombie - August 18, 2013, 6:02 pm

ATTENTION!

My account @Waddle JUST GOT DISABLED FOR BEING UP FOR SALE!

EVERYONE NEEDS TO START BLANKING OUT THERE NAMES! THE EMPLOYEES DO CARE!!! THEY DO NOT WANT YOU SELLING THEM!

Please keep the thread ALIVE, I do NOT want people to put the full names and there Instagrams getting DELETED. Star out letters like th*s.

lfinger - August 18, 2013, 6:03 pm

Just don't give name in thread. Get legit buyers to PM for names.

The Judge - August 18, 2013, 6:06 pm

Oh, didn't know that man, going to keep heads up now, may it be a warning to all the other people selling their IG.

I Am JT - August 18, 2013, 6:22 pm

It was only a matter of time. I would have censored mine regardless.

ZuGgY - August 18, 2013, 6:23 pm

Thanks for informing us OP.

I bet it sucks losing your IG :/

Honestly I could care less, I just need EVERYONE to know. Instagram is my favorite market, and I do NOT want it to crash and burn because of this bullshit going on.

#YOLO - August 18, 2013, 6:27 pm

Shit. Wonder why that are doing this? And I wonder who the Employees are on HF :o

Lets try to find the guy and get him noticed. If that is even possible. Don't give anyone your Instagram name that is L33T or UB3R. That is my new rule I am going to follow.

CitrUs - August 18, 2013, 6:47 pm

I thought everyone already knew that. But thanks OP. Sorry about the account.

'Cody - August 18, 2013, 6:59 pm

Are you 100% sure/have proof that it was deleted for being for sale, or is this an assumption?

Rob Zombie - August 18, 2013, 7:05 pm

100% sure. It says it is due to service violations term 3. Term 3 is it being for sale.

ILLICITUS - August 18, 2013, 10:17 pm

thank god for you.*

could of lost some accounts due to this;*

Mac Mill?r - August 18, 2013, 10:20 pm

Proof or this is completely fake. Show me in the Tos where it states selling instagrams are illegal.

I would not try to ruin the Instagram market because that is where I earn most of my online money.

Implying Instagram employees can't PM the user or buy l33t to look more trustworthy. You got any proof your account was disabled because they knew you were selling it?

Microsoft Agent #3180 - August 18, 2013, 11:52 pm

This is funny because I posted my instagram shop a while back and mainly my cheap ones that were not popular were getting deleted with the exception of my IG @nj

I have lost a total of 4 IGs for whatever reason, so I know your pain :(

Good Mood Dude - August 19, 2013, 12:47 am

Understalker - August 19, 2013, 1:30 am

Didn't think they would actually ever care enough to ban it, never even read the ToS until Cody linked it.

Mark Zuckerberg - August 19, 2013, 6:53 am

I can vouch for that, months back I had @Yolo, put it up for sale, then it was banned about 3 days later for "Breaking the TOS"

If this is true, then I appreciate you taking the time to information all of us. Good thing I don't partake in the buying and selling of Instagram accounts.

Harold Wren - August 24, 2013, 10:22 am

Once you have made the deal is when you should reveal the name. Helps everybody.

ItsATumor - August 24, 2013, 12:02 pm

bandors - August 24, 2013, 12:04 pm

You cannot do that... They are not just going to ban an account just because you said you are selling it. You are going to have to PROVIDE PROOF that YOU own the account.

Assailant - September 3, 2013, 8:59 am

They wouldn't and couldn't just disable the account because you "claim" to be selling an account.

Then if someone was selling an IG that they actually own without any visible proof on the account that they own it, how would IG know then?
