Thread: [\[FREE \] THOUSANDS OF INSTAGRAM FOLLOWERS & LIKES \[FREE \]](#)

Sepiahackz - August 25, 2013, 11:36 pm

Hey HF!

(I do know that this is my first thread, so this might come out a little plain when viewing. Thanks for understanding!)

Today I'm going to be showing you guys a new web-based Instagram like/following bot that has just been created along with a tutorial!

Step 1: You will have to make a FAKE instagram profile on instagram with a mobile device.

For Example (Note that I've used this fake profile for multiple programs) :

Spoiler [\(Click to View\)](#)

[\[IMG\]http://i888.photobucket.com/albums/ac81/samueldeerwester/image_zps0cde01b1.jpg\[/IMG\]](#)

Step 2: [CLICK HERE FOR THE WEBSITE](#)

Make a new account, of course.

Spoiler [\(Click to View\)](#)

[\[IMG\]http://i888.photobucket.com/albums/ac81/samueldeerwester/image_zps2cd7bbb0.jpg\[/IMG\]](#)

Step 3: It will redirect you to the instagram website. Sign in with your FAKE profile and click accept. It will redirect to again to a website that should say "Unable to select database". Copy the URL and go back to instarobot.

Step 4: Paste the URL inside of the box.

Spoiler [\(Click to View\)](#)

[\[IMG\]http://i888.photobucket.com/albums/ac81/samueldeerwester/image_zps39d54660.jpg\[/IMG\]](#)

Step 5: If it's your FAKE Instagram acct, click Yes. Finish the process by creating your account!

Spoiler [\(Click to View\)](#)

[\[IMG\]http://i888.photobucket.com/albums/ac81/samueldeerwester/image_zps485e3f6b.jpg\[/IMG\]](#)

Step 6: Just go right ahead and log in! You've completed the process and with your command you will be getting thousands of likes and followers! :)

PROOF (MY REAL INSTAGRAM ACCOUNT)

Carlyle - August 28, 2013, 3:41 pm

I'm actually amazed that it actually worked. Got 200 likes on a photo of mine in less than 10 seconds and 20 followers in 5 seconds. Unbelievable, thanks OP.

rooney222 - August 29, 2013, 7:55 am

Only get 20 followers each time, it'll take ages to get 3000 followers , and you'll need more than 5000 followers so people can believe you that you got 200+ likes

L?renzo - August 29, 2013, 8:39 am

xDubst3px - August 31, 2013, 3:16 pm

I get around 260+ likes on my photos but every time I hit the follower thing it only gives around 5 followers, but thanks for this man!

Inspiired - August 31, 2013, 10:11 pm

It is an option again. Just had to do some sever changes due to it not working. :)

PrimeTheGod - September 8, 2013, 11:38 am

The follower button isn't working, it isn't letting me click it, idk why ?

Casual Jr - September 8, 2013, 1:50 pm

Now trying, looking forward to see how many likes I will accumulate.

Not too sure if I have done anything wrong as I have followed step by step but when I press get like son one of my photos it just says processing then nothing happens.

Ninja. - September 8, 2013, 6:16 pm
