It sucks HF doesn't allow post edits after 1440 minutes but I've had the VCW I bought and used it for under 2 hours (travelling and sleeping) and i've already made the money back I spent on it. 41/35\$ I think is pretty good!

VCW -> Virtual Cam Whore

On my thread it SAYS they are not used with flash but are used with manycams. I told you that like 10 times.

SuperPitoMan - November 11, 2013, 1:06 pm
