Goodluck to everyone

malichi - August 26, 2013, 5:45 pm

With so few people, why would you have people already being skipped ahead of first round?

Anywho, count me in. Might as well get some games in before they close.

It has to do with the amount of people in the bracket, I know it looks weird

Ah. I can see it now; there has to be an even number of pairs otherwise it doesn't work.

Gonna kick some ass.

I can play well, often. However, I have terrible luck and lose for stupid reasons which are often my own fault.

Yellows last tourney I did not even make it past my first match.
