Thread: [Famous Bruter 3in1. Advanced RDP Bruter, Scanner & Combo Checker. Cheap. 3in1.](#)

Gemster - September 14, 2013, 2:53 am

Thread design coming soon

Today Im going to sell my RDP bruter that i have made. This is the new generation RDP Bruter and fastest on the market. This is a 3in1 tool. It comes with a RDP Bruter, RDP Scanner and a RDP Combolist Checker.

Its small, tidy and unique. its great for those who want fast quality rdp's, start a shop ect.

This tool has a login system and is protected with online variables and also all strings encrypted there is no HWID so you can run it on multiple rdp's/comps/vps.

Features

Super fast bruting

RDP Bruter

RDP Scanner

Unique RDP Combo Checker

Multi Threaded

Login system

Saves everything to .txt files

Full Stats

Easy to use

Full Getting Started Guide

Comes with user/pass lists

Lifetime deal

Auto updates

AutoBuy coming soon.

Images

Spoiler ([Click to View](#))

Bruted for 2 minutes and found 6 :)

Price \$25 Lifetime

Pm me to buy

Does not work on Windows 8(use a rdp)

Evanescent - September 14, 2013, 2:57 am

A gigantic VOUCH for this user and his product.
Good luck with sales bro.

Good luck with sales bro.

Thanks for the vouch, dropped the price down to \$25 for the first few buyers then it will go backup to \$30

nitoh - September 14, 2013, 5:42 am

Huge vouch for Gemster and this beast of a bruter!

Its fast as f***, fastest one i ever tried at least and i got several paid ones in my collection also.
Gonna testrun this for at least 12h and do a full review on this.
GLWS bruh!!

GLWS bruh!!

Thanks for the vouch :)

Yeah its the fastest RDP Bruter out. Way faster than DUBrute :D

Online taken orders, pm me.

Gemster

sent you a pm regarding this :), hope you respond :D

DINEROMASTER - September 15, 2013, 5:15 am

will you give deal for first buyer?

Gemster - September 15, 2013, 10:00 am

Price has already been reduced by \$5 for the first few buyers.

Ha Haaa - September 19, 2013, 3:35 am

I'm probably going to buy this tomorrow OP.

aSmoo - September 19, 2013, 6:20 am

Do you accept WMZ?

If you do please contact me, I'll buy it.

Gemster - *September 25, 2013, 1:53 am*

Still selling the fastest RDP bruter on HF.

Super fast :)

Pm me to buy, Paypal only

milkshake2014 - *February 10, 2014, 8:30 pm*

Need your BTC address! Can you give me some help in using it at maximum power?

@Gemster, are you still selling this tool ?
