Vouch for Panda, obviously.

Go ahead and pm me guys if you want to know the tag, as Panda can't get on to check often.

He is managing my PMs because I can only check the thread every now and then because I'm away.

I will be doing the sale at the end though he's just proving extra information when I can't which isn't against the rules as far as I know.

I'm also selling a 7 letter word and a 6 letter spaced word (Has a V1).

Feel free to bid away

Thanks

Current bids:

4 letter: \$620 PP

7 letter: \$20

6 spaced: \$200 are you sure you can trust that bid on the four letter sean or pandaboy?

?ing - September 14, 2013, 11:03 am

My bids of WU they can both trust. That PP bid I am not too sure either.

Career - September 14, 2013, 11:06 am

I am pretty sure if they added the bid, is because they can trust PP from that user.

DeJaVu - September 14, 2013, 11:08 am

Myth - September 14, 2013, 11:08 am

Can someone tell me why people spend so much on tags?

So they can show off how big their e-penis is.

They also enjoy the screaming reactions of 10 year old trickzoom fags in CoD lobbies.

Trojan is 10000% true it's the only reason I buy tags lol

Me too. Mainly #1 though. I use them when I feel my ego is getting out of reach. I measure my e-penis around 14.5 inches, ridiculing my actual size. All in all very simple process, almost anyone

can do it. - Can also provide ego boosts if used in the opposite manner.

The buyout is \$900 but if you're both willing to bid above then so be it. But, if you buy it within the next 2 days the max you'll pay is \$900. The first person to offer such amount will win the tag first.

Gt_Boss - September 27, 2013, 9:10 pm
