Thread: [HF Avatar Animated](#)

CreativeFX - September 14, 2013, 1:47 pm

Simple animated avatar I made for HF. Pretty simple and nothing special but hey.

Feel free to use/edit, and post your edits in this thread if you want!

Firstly I recommend removing the white lining problem and only have three colors. Another good idea would be to slow down the time between color shifting otherwise the Avatar would be considered an Annoying Gif.

Bad Meets Evil - September 14, 2013, 4:14 pm

Don't use a transparent background with a GIF or you will get that ugly choppy white.

CreativeFX - September 14, 2013, 6:49 pm

Thanks for the feedback, appreciate it!

Shoppa - September 14, 2013, 6:50 pm

Use this as background for the gif :)

dude you can make this better so do it ;)

Lights Outt - September 17, 2013, 7:46 am

yeah man change the background :)!
