Thread: [~~\[EPIC\] WOODEN BEAD NECKLACES \[EPIC\] ~~](#)

? Ace ? - September 14, 2013, 2:12 pm

Hey guys, I am not even commercialing my product, I just found an amazing deal on some necklaces which will only last for a while.

I already bought some and am planning to sell them at school for 10~20\$

The only ones that really interested me were the diamond ones. Even for my favourite looking ones, i'm kind of reluctant to spend the \$3 haha. Maybe i'm a bit stingy.

Did you really get people to buy them for \$10 in your school?

Thanks for the share mate.

Yup, seeing as they are sold 20-30\$ in other places, people do buy them for 10-15\$
