WARNING, LOTS OF IMAGES

Obli - September 17, 2013, 3:42 pm

I thought you took shots of fucks, but then I saw the pictures.

Nice fucks you have there, OP.

R?DSPY - September 17, 2013, 3:52 pm

Damn, thats alot of foxes. Its so HD, nice cam and photos OP.

DarkDelta - September 17, 2013, 3:57 pm

Nikon D90 with a 50mm f/1.8 lens, every picture.

Vexane - September 17, 2013, 4:01 pm

Really nice image OP, I might use one of these for a wallpaper

DarkDelta - September 17, 2013, 4:15 pm

Thank you all, and feel free to use one as wallpaper ^_^

Obli - September 17, 2013, 4:17 pm

Hey, OP, I have a question.
What does the fox say ?

DarkDelta - September 17, 2013, 4:19 pm

idk?
i'm no good at english jokes #dutch

Obli - September 17, 2013, 4:20 pm

Nevermind, there is a swaggot song called "What does the fox say"

It's pretty ridiculous, you should search it up on YT.

???? - September 17, 2013, 4:32 pm

I have honestly never seen such a clear and beautiful picture in my life, not joking. Highest quality picture, felt like it was eating my face from the screen..

No problem it really does stand out :)

IceTimux - September 17, 2013, 4:44 pm

These are amazing OP! wow! im in love .-.

illuminatiJake - September 17, 2013, 4:58 pm

How did you get so close to the foxes? Aren't they a bit shy from humans?

DarkDelta - September 17, 2013, 5:00 pm

They came close to me, i didn't come close to them :)

Also #7 isn't me, but a friend of mine

Mommy???????????? - September 17, 2013, 5:01 pm

What the fuck do you take pictures with?
It is better than my fucking EYES.

Nikon D90 + Nikon 50mm f/1.8 lens :)

DarkDelta - September 19, 2013, 3:54 pm

Any more love for these damn cute foxes? :D

Pow3r - September 19, 2013, 3:56 pm

Superb pictures there OP, you seem to have a gift for photography.

Thank you so much ^^

So, any ideas on what i should shoot next?

kbkasey - September 26, 2013, 9:43 am

Wow, are you able to change the resolution to 1920 x 1080?

I want to use 6 as a desktop background. If that's okay with you OP. :)

Tobirama - September 26, 2013, 10:30 am

Holy mother of good the quality of these pictures are intense! Good job OP!!! And nice ;)

fucking awesome ^_^

thanks :D

and damn i hate this 35 character limit...

Javis - October 7, 2013, 6:53 am

I love foxes. Really nice photos man. :)

michael91901 - October 7, 2013, 6:53 am

Wow Really great photos! Did you take them?

Was the fox trained? Like how did you get so close to it.

Denitorious - October 7, 2013, 7:04 am

Nice to see a fellow photographer on here!
Nice photographs as well. :) Keep it up!

No the fox wasn't trained, they just want food, and they like to steal from bags etc.

Grevious - October 7, 2013, 7:07 am

Wow, this is seriously amazing. I'm in awe. How long have you been practicing photography? Were these hardcore-edited after the shot?

?Schock - October 7, 2013, 7:07 am

Those pics are awesome, Never knew they where so RED lol
And how do you get that close to them !

Lightweight - October 7, 2013, 7:11 am

Those eyes are so bright, very nice photos. If these are yours you did a great job.

michael91901 - October 7, 2013, 7:13 am

I am thinking of using one as a background, Can I?

I think this might answer you question.

Machiavellian101 - October 7, 2013, 7:51 am

They are some great pictures. Thanks for the share.

JAMESY™ - October 7, 2013, 1:03 pm

I'm definitely surprised you got that close to it in one your pics!

More photography man.
