Today is the day of action, where all Dredd fan's worldwide buy Dredd dvds/bluerays off amazon to show support for the great movie and hope to grab the attention of the directors (In hopes of a sequel).

(Preferably amazon uk since it's easier to rank in the charts)

Please, if you haven't already seen the movie, download "Dredd 2012" off a torrent website and if you enjoy it, add in your support (Only costs like 10\$ with delivery), every purchase counts; and it is one of my life hopes to see a sequel (Yes I'm a crazy Dredd fan)

WAYS TO SUPPORT A SEQUEL

- 1) Watch the movie - rate it on netflix
- 2) Purchase a DVD or Blueray
- 3) Sign the Dredd petition:
