Thread: [FREE I train everybody! NO referral](#)

Warren Buffett. - September 19, 2013, 11:39 am

Hi guys,

I'm going to train anybody that wishes to make some online money.

The only thing you need to do is post below and wait for a response.

I won't ask you to be my referral or ask you for money.

I will also help you with french niches, because french is my mother language ?

Of course I can't take to many people at the same time but I will try to take as many people as possible. Quality over quantity right? ?
