Thread: [Bloody Anime or Comedy anime suggestions please.](#)

Nam Duong - September 19, 2013, 6:40 pm

I'm running out of nice killing and pure action anime to watch, or just in need of a really good laugh. Any of you guys have got any suggestions?

My Anime List:

<http://myanimelist.net/animelist/NamDuong>

I'd also like it if it was at least 24 episodes, but 12+ can do. Just need something to keep me busy.

Seitokai Yakuindomo, plethora of jokes. All very funny in my opinion. How did you enjoy Black Lagoon by the way? Still waiting for a season three here.

Aiko - September 19, 2013, 6:55 pm

A certain scientific railgun, an excellent action anime to watch. It has everything you have been looking for currently

DarkShadowz - September 19, 2013, 7:57 pm

Aoi Bungaku, definitely psychological with that added sense of murder/blood :D.

Ciel Phantomhive - September 19, 2013, 8:18 pm

Kuroshitsuji can do both at once for you. And it's longer than you need.

Nah, hopefully there will be one. The manga resumed this February and only three chapters so far have been released. I'm just waiting for a new one already. Black Lagoon was another one of those "The Shit" anime for me.
