I received a review copy from Chargen and this is my honest review on it.

[img]http://img844.imageshack.us/img844/6792/82278841.png[/img]

The overall quality of this eBook is very good after my opinion.

The author provides each steps very detailed which you need to know to execute the methods

properly and earn some good cash.

[img]http://img825.imageshack.us/img825/4774/50e1b4f4.png[/img]

The method itself is not very complicated to set up and use. You will need to put in some work to get good result but that shouldnt be a problem.

[img]http://img155.imageshack.us/img155/7835/aea97688.png[/img]

The layout in this eBook was good. I noticed a clear structure with colored headers so you as reader won't have any difficulites with going through this eBook.

[img]http://img534.imageshack.us/img534/5183/5fe7ea0d.png[/img]

The grammar was acceptable, I noticed several misspelled words or grammatical mistakes but they don't effect the readability at all.

[img]http://img801.imageshack.us/img801/4135/a7bd16f6.png[/img]

I've personally never seen this method anywhere before and it is guaranteed to work. It has unlimited potential and if you spend some time at beginning you can definitely make a good amount of cash out of this.

Title: The Partnership

Price: \$19.99

Pages: 9

Author: Chargen

Reviewer: thatpower

Average Rating: 7.2 / 10

=====

Quality : 9/10

eBook has a decent flow to it. Bullet points are used, images, Titles.

Unique : 7/10

This method isn't something that I haven't seen before however it dose change up from what I knew. So this is somewhat new to me. It dose have a new spin to it.

Layout : 7/10

As stated, it has a good flow to the eBook, nothing flashy white background black text. Images, not some huge pile of text. Each point is set with a title that stands out.

Grammar : 6/10

OP might want to take a look at his homophones refresh on them, some words are simply wrong and don't fit. However it still read-able the mistakes isn't something that will make you misunderstand what OP is trying to talk about.

Originality : 7/10

As I've stated before I've seen this before a very private method and this method matches it about 25%.

This method dose have it's own spin which makes dose give it some Originality.

Notes :

This eBook is priced correctly, OP doesn't lie everything he says isn't in the book isn't there.

This method isn't something that I haven't seen before however it dose change up from what I knew. So this is somewhat new to me. It dose have a new spin to it.

Layout : 7/10

As stated, it has a good flow to the eBook, nothing flashy white background black text. Images, not some huge pile of text. Each point is set with a title that stands out.

Grammar : 6/10

OP might want to take a look at his homophones refresh on them, some words are simply wrong and don't fit. However it still read-able the mistakes isn't something that will make you misunderstand what OP is trying to talk about.

Originality : 7/10

As I've stated before I've seen this before a very private method and this method matches it about 25%.
This method dose have it's own spin which makes dose give it some Originality.

Notes :

This eBook is priced correctly, OP doesn't lie everything he says isn't in the book isn't there.

The Don - October 2, 2013, 7:18 pm

EDIT: Resale rights of my ebook "The Partnership" is now available.

EvilQB - October 3, 2013, 6:40 am

(Sep 26, 2013 05:19 PM)vmanx Wrote: [\[CITE\]](#) That's what I'm saying...I have pm'ed several people, none replied. Very skeptical at this point whether to purchase this or not.

It's the same damn thing, reason why I left the Marketplace for a bit. You'll see threads with pages upon pages of "vouches", (some with 20-30 pages) but no proof, and if you ask most buyers themselves they say stuff like "it's alright" if they reply, if you do see payment proof it's usually 1/3 the amount sellers say you'll make.

Wasted like 75 dollars on this stuff, and lost about 15 in currency transfers...

Forbes. - *October 3, 2013, 1:04 pm*

Added you on Skype. Want to make sure that this is something for me :)
