Thread: [\[\\$14.99 | Autobuy\] Steam Grinder - Make thousands from Steam - Free Steam Games](#)

Shopify+ - September 28, 2013, 9:30 am

To buy, please visit this link: <https://payhip.com/b/nh6E>

Although you may just be planning on using this for acquiring games for personal use, many of my customers open up Steam Game shops and sell all the games they acquire through this method.

FAQ:

Can I get any game on Steam with this? - 99% of Steam Games are available, if the game is even slightly known it will be available.

Can I use this for DLC and other Steam items? - Yes you can

Does this method require any computer programming knowledge? - No, none at all

How long does it take to acquire games? - It depends on the games, 10-15 mins of NO EFFORT work at first, but as you build confidence they will be rolling in all the time

No effort work? - Yes, you can sit and watch Netflix, play Xbox/PC while doing this

Will this method get saturated? - No it will never get saturated

Vouches:

(Aug 30, 2013 09:54 PM)silentsh00t Wrote: [\[CITE\]](#) I just finished reading this and I have to say it is a really good method.

The only thing is that you will need time and a small investment.

It is possible to get whatever game you want on steam!!

(Aug 30, 2013 09:40 PM)Steam™ Wrote: [\[CITE\]](#) My review

This ebook looks like a good method to get Steam keys, but not really free, you need to invest a bit money approx 5 - 10\$ maybe less maybe more.

If you have just a little bit time you can start getting low-price games and if you put a bit more work you can get games like payday 2 and with a bit more work maybe COD ghost and other good games.

My vote

8/10

[img]http://icons.iconarchive.com/icons/cornmanthe3rd/plex/96/Other-steam-light-icon.png[/img]

Hello! My name is Decompilator and I will be reviewing your e-book today! Please keep in mind that this is my strict opinion on this e-book and may vary depending on the reader. In no way does this official review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk. Let's begin!

I have read this ebook and I have not seen a guide similar to this one. This ebook is very detailed and explains everything in detail.

No, this isn't the photoshop steam SEing methods or stealing accounts in any way at all. This is all whitehat. I honestly think a 14 year old can learn how to do this if he set his mind to it. For such a low price of 15 USD this guide is perfect from a casual steam player to a steam gift seller. I honestly think you will be happy with purchasing this ebook. Overall rating 10/10

(Aug 30, 2013 11:07 PM)?pth?n Wrote: [\[CITE\]](#) This is my original review for this e-book.

Note that I'm not a personal friend of the owner, nor I got paid or anything else for leaving this review.

[b]Grammar ?????

Good grammar with little to no spelling mistakes.

Originality ???? Read this part!

I have read through the thread. Two users are claiming that this is a public method. Personally, I didn't see this method before. Furthermore, I even asked for links so I can see if this method has been posted in public before, but I didn't get any links. I don't really deal with Steam, neither did I search for such a method in past.

I honestly can tell you that I haven't seen this method before. It may be common sense, but come on, which e-book isn't?

You can't expect from anyone to reinvent the wheel. This is why I leave four stars for the originality, unless someone can prove that this method is public.

Ease Of Use ???

As others already said, you have to invest some money for this method. So they aren't really free. But you don't have to invest much, more like a few bucks - depends.

Organization ?????

A lot of effort has been put into the layout of the thread and the e-book. It's not christmas time yet, but the design looks nice and the e-book is well organized and structured.

Overall ????

Xerocations put a lot of effort into writing this e-book. Personally, I didn't know about this method before. You have to make a small investment in order to succeed, but if you don't care about this you should consider purchasing this e-book. Note that there is no real guarantee that you will get the game you are looking for. It will take some time to get a game.

Good luck with the sales ?

(Sep 8, 2013 05:56 PM)Sword Art Online Wrote: [\[CITE\]](#) This method does require a SMALL investment, but other than that, keep up the great work.

Everything is explained in detail as to what you have to do.

(Sep 9, 2013 07:38 PM)Sammich Wrote: [\[CITE\]](#) Just purchased this eBook and it looks absolutely fantastic! I see some folks saying that it's public, but I personally have never seen anything like this, or even remotely like it.

The author provides plenty of detail, and there's tons of little tips & tricks to help you out.

The layout is fairly basic, but very clean and easy to read.

As for support, Xero has been very friendly and helpful. Quick responses, and quality answers.

You have my vouch! (Sep 10, 2013 05:14 PM)????? g?f?? Wrote: [\[CITE\]](#) Just purchased, while it does seem kind of like common sense, this e-book teaches you all you need to know on how to get any steam game for free, or build up a collection. The tips he gives are great as well. Very neat ebook.

(Sep 29, 2013 09:21 AM)StarCraft 2 Wrote: [\[CITE\]](#) I can vouch for this method. Grammar is perfect, pictures are included and I already got some steam gifts.

It's easy to understand and im pretty sure you will get what you paid for.

(Nov 29, 2013 09:24 AM)« The\$gtLu¢a™ » Wrote: [\[CITE\]](#) Ok, as promise i told i will post proof and review.

Review:

The book itself work, you will need some investment, for me, the investment was 13\$ and i got Nether Believer.

I suggest?

Hell Yeah , i suggest it. Also the owner of the book(Evocati) is much friendly!

Proof:

(Dec 5, 2013 03:09 PM)Sc00by Wrote: [\[CITE\]](#) Quality: 10/10

The quality of this E-Book is amazing. There is so much information in this book, and it is all very easy to understand.

Originality: 10/10

This method is completely original. I haven't seen anything like this, and I can't wait to try it out.

Ease of use: 9/10

This method looks fairly easy to use. It may be a little hard for me, but that is because I had no prior knowledge on the subject.

Grammar: 10/10

The grammar in this book is pretty much flawless.

Layout: 10/10

The layout is perfect and easy to grasp.

Overall: 10/10

Overall this E-book offers a great method that really will work. I vouch completely for Evocati. He is a very respectable member of this forum and wrote an amazing book.

Thanks for letting me review this book,
Sc00by.

(Jan 6, 2014 05:03 PM)Marlboro Red Wrote: [\[CITE\]](#) I bought this a little while ago, I don't even use steam much but there were a few games i really wanted to get. And you know what? I'm happy to say that I've spent about \$10 in total on my steam account

Great method, thanks

(Dec 23, 2013 03:13 PM)Blue Koala Wrote: [\[CITE\]](#) Evocati asked me to post proof of my steam account and the games that I have earned.

More than half of these are through this method

(Oct 30, 2014 05:25 PM)Applause Wrote: [\[CITE\]](#) I believe I've purchased an E-book by Evocati in the past. He's a trusted person. GLWS Evocati!

(Oct 31, 2014 08:14 AM)Vivicore Wrote: [\[CITE\]](#) Vouch for this method. Even though I have not tested it it seems to be all good and working.

GLWS.

(Oct 31, 2014 08:30 AM)?ule34 Wrote: [\[CITE\]](#) Hey, so I received a vouch copy of this method, and I have to say it can 100% work. It is not blackhat in any way, but in turn you do have to do a little bit more work, but hey, at least it's 100% legal. The eBook shows 3 different "ways" of doing the method, and it written very nicely. I didn't see any typos, and overall the method is promising and

will work for sure if you're willing to put a little bit of work in. GLWS, OP.

(Oct 31, 2014 11:04 AM)Kane306 Wrote: [\[CITE\]](#) Here is my review,

Speed:

The method details that you should not expect your steam games within 2 minutes, with this method it could take up to a couple of hours , however the method is straight forward so you won't have much trouble.

Effectiveness:

This method is very effective and can easily get you what you want, however remember it's not instant. The best way for this method to work is if you invest a little bit of money into it, around \$6 should be fine. There is also multiple sources you can use to get your steam games easily so you can try all of them to see which is best for you.

Difficulty:

With the method you'll be spending more time waiting rather than actually doing the method itself, it's extremely easy to follow and you shouldn't run into any s.

I'd also like to add that this is 100% legal and does not require you to do anything blackhat whatsoever. There is multiple ways of completing this method so you can find which one works best for you or use them all.

[/align]

DayZ® - September 28, 2013, 3:31 pm

Is there a vouch copy available. I'd be interested in one and I'd write a review if you'd like aswell

Shopify+ - September 28, 2013, 4:16 pm

No it does not

If anyone has any questions, feel free to ask away

Beilinder - October 2, 2013, 12:47 am

If there are so many vouches why can't anyone post a picture for a proof? Seriously, if I were to buy a good method I'd post a proof regardless if the seller asked me to do so, or not. It's common courtesy, it helps the seller. Since no one posted a picture proof, could you please ask someone to do it?

Also, is this the method were you earn credits on a certain website by reffering people to your link? Each click on your link gets you 1 point and you need something like 50 points to get Black Ops for example, right?

Shopify+ - October 2, 2013, 12:58 am

Vouch for op very nice method for steam games

AcidSuit - October 2, 2013, 6:33 pm

There are a couple games I want to get, specifically GTA V do you think this method would be able to get this game? How long would it take? Any other investment?

Tentcell2 - October 3, 2013, 4:04 am

Yeah, I'm wondering if you're limited to receiving only a select few games, or virtually any games, including new releases like Call of Duty: Ghosts?

Shopify+ - October 3, 2013, 4:52 am

(Oct 2, 2013 06:33 PM)F?1?? Wrote: [\[CITE\]](#) There are a couple games I want to get, specifically GTA V do you think this method would be able to get this game? How long would it take? Any other investment?

To get GTA V it will take a little longer than it would take you to get smaller games. Not sure of time scale, all depends on how much effort you put in. You can invest more if you want it faster, but it would still work with a small investment.

(Oct 3, 2013 04:04 AM)Tentcell2 Wrote: [\[CITE\]](#) Yeah, I'm wondering if you're limited to receiving only a select few games, or virtually any games, including new releases like Call of Duty: Ghosts? You are limited to the games that are on offer, I can't disclose any more info as it will jeopardise the e-book. But A LOT of games are available.

mashemaru - October 3, 2013, 6:09 am

Hi,

I am very much interested in these, do i need investments on every games or there are some games that I can get for free?

How much investment do you need to have some games like CS:GO?

Also can i gift it to somebody?

Nigga From Africa - October 3, 2013, 7:00 am

invest on everygame

nope no games for free

same as every other game \$1-5

yes

Automatic Coding - October 3, 2013, 7:03 am

Questions:-Can I get these keys in steam inventory form, or, not?

How long does it take to get a game that's never been on sale (Anywhere, including third party sites such as GMG/etc...) that costs around \$50 and is newly released?

(Oct 3, 2013 04:52 AM)Evocati Wrote: [\[CITE\]](#) You are limited to the games that are on offer, I can't disclose any more info as it will jeopardise the e-book. But A LOT of games are available.
'a lot'

That's not very descriptive. Any integer values? Publishers? Anything like that?

Shopify+ - October 3, 2013, 7:11 am

You can get steam game gifts and keys.

I can not give you a time scale, it depends on how much effort you put into it. For a \$50 game it might take a bit longer.

It's a random selection of games, but a huge amount of them, you're more than likely to find the game that you want on there.

Automatic Coding - October 3, 2013, 7:12 am

(Oct 3, 2013 07:11 AM)Evocati Wrote: [\[CITE\]](#) You can get steam game gifts and keys.

Thanks for this review, open for sales just now guys!

Bronco - October 6, 2013, 3:45 pm

This is an interesting ebook I do not feel that it is really a method as much as a guide it does involve tricking people into thinking they are getting more than they are actually getting. The guide also does have requirements for it to succeed I feel this is a little bit manipulative and at a very outrageous price.

Shopify+ - October 6, 2013, 3:49 pm

(Oct 6, 2013 03:45 PM)Identification Wrote: [\[CITE\]](#) This is an interesting ebook I do not feel that it is really a method as much as a guide it does involve tricking people into thinking they are getting more than they are actually getting. If anyone has any questions, please post here or pm me!

Kysar - October 17, 2013, 10:39 am

Just purchased. Giving an HONEST review.

The book itself is marketed and published well I can tell you that much...

The method does work. The title is mis-leading. While yes, in theory, you could get any game for free. But its not as clear cut as that - there is a HUGE part of this that depends on a variable.

The concept is extremely basic...I'm just a little dissapointed in it as it didn't come as anything new to me. It seems like pretty common knowledge if anyone were to think about it. This is defiantly not a new idea, he just ported it to be about Steam.

Yeah - It could work. Its not any secret knowledge, its a simple guide. If you're anyone whos dabbled in the Steam Game business - this wont come as new information to you. If I knew this was the method I would not have bought it.

But I guess for starters - its a nice guide.

TimeOnWeed - October 21, 2013, 12:10 am

how long it takes to acquire games?

Skirr - October 21, 2013, 8:39 am

Wow I love this ebooks, I highly recommend it to all.

Shopify+ - October 21, 2013, 10:28 am

(Oct 21, 2013 12:10 AM)richard994 Wrote: [\[CITE\]](#) how long it takes to acquire games?
Not long, it really depends on how much time you put in, it doesn't require much effort at all

PhoenixHF - October 21, 2013, 10:40 am

Does the method require any additional investments?

Shopify+ - October 21, 2013, 10:53 am

(Oct 21, 2013 10:40 AM)Wolf TM Wrote: [\[CITE\]](#) Does the method require any additional investments?
Yes, a very small investment of \$2

I know the thread says "free" but I can't change the design

PhoenixHF - October 21, 2013, 11:43 am

(Oct 21, 2013 10:53 AM)Evocati Wrote: [\[CITE\]](#) Yes, a very small investment of \$2

I know the thread says "free" but I can't change the design

What can I expect for 2\$ investment? How much gifts?

Shopify+ - October 21, 2013, 11:44 am

(Oct 21, 2013 11:43 AM)Wolf TM Wrote: [\[CITE\]](#) What can I expect for 2\$ investment? How much gifts?

1 game per \$2 investment, any price of game, so you could sell that game and get your money back

Jeremy Corbyn - October 28, 2013, 8:49 am

Can you get games such as Assassin's Creed 3, F1 2013, Metro Last Light and Bioshock: Infinite?

Shopify+ - October 28, 2013, 9:14 am

(Oct 28, 2013 08:49 AM)Sherlock Holmes Wrote: [\[CITE\]](#) Can you get games such as Assassin's Creed 3, F1 2013, Metro Last Light and Bioshock: Infinite?

Yes, you can get these games

If anyone else has any questions, post here or pm me

Jeremy Corbyn - October 28, 2013, 1:31 pm

Do you JUST need an initial investment?

Or is it for every game?

Shopify+ - October 28, 2013, 2:07 pm

(Oct 28, 2013 01:31 PM)Sherlock Holmes Wrote: [\[CITE\]](#) Do you JUST need an initial investment? Or is it for every game?

Depends on which way you'd like to go about it, it's faster to invest \$2 in every game though

Jeremy Corbyn - October 30, 2013, 4:27 am

This method is slightly disappointing, it's easy to figure out and don't always work.
I have yet to get anything out of it but I haven't been putting much into it yet.
I'll write a full review later.

Shopify+ - October 30, 2013, 5:38 am

(Oct 30, 2013 04:27 AM)Sherlock Holmes Wrote: [\[CITE\]](#) This method is slightly disappointing, it's easy to figure out and don't always work.

I'll write a full review later.
Give it time, sorry if you're disappointed, but I have had quite a lot of happy customers.

You say you haven't been putting much into it, it does require patience, and a little time to do the process, but after you get the hang of it and it begins to take off, it gets a lot easier.

If you need help with anything I'd be more than happy to help.

Jeremy Corbyn - October 30, 2013, 7:04 am

I've actually got this working quite nicely. I've got Mafia II and am trying to get AC3.

Do u sell steam game how long does it take to do the method

Shopify+ - November 20, 2013, 2:05 am

(Nov 20, 2013 12:30 AM)iSimpl Wrote: [\[CITE\]](#) Do u sell steam game how long does it take to do the method

Me personally, I don't have time to do this method and I stopped playing games a while ago, I work 55 hours per week.

The method takes anywhere from 20 mins, it requires no effort at all though, you can do anything while you do this.

fuegox - November 20, 2013, 5:03 pm

Bought it few seconds ago, please send pass of the rar :)

Cool99 - November 20, 2013, 5:30 pm

does this involve any kind of social engineering mate?

Shopify+ - November 20, 2013, 10:38 pm

Hey you didn't reply to my last message, how much is it and what does it include

Shopify+ - December 5, 2013, 11:34 am

(Dec 4, 2013 04:04 PM)Marlboro Red Wrote: [\[CITE\]](#) Hey you didn't reply to my last message, how much is it and what does it include

Hey sorry, it's \$50 for the reseller package.

Or you could do a deal, you can resell with a shared payhip account and I get \$10 off of every sale you make.

Sc00by - December 5, 2013, 2:09 pm

Quality: 10/10

The quality of this E-Book is amazing. There is so much information in this book, and it is all very easy to understand.

Originality: 10/10

This method is completely original. I haven't seen anything like this, and I can't wait to try it out.

Ease of use: 9/10

This method looks fairly easy to use. It may be a little hard for me, but that is because I had no prior knowledge on the subject.

Grammar: 10/10

The grammar in this book is pretty much flawless.

Layout: 10/10

The layout is perfect and easy to grasp.

Overall: 10/10

Overall this E-book offers a great method that really will work. I vouch completely for Evocati. He is a very respectable member of this forum and wrote an amazing book.

Thanks for letting me review this book,
Sc00by.

It's not really possible for this to become saturated, I've sold over 100 copies so far, but the market is so huge that it will take at least 10k copies for this to become properly saturated.
