Thread: [\[FREE4EVERYONE\] AdSense for AdSense Click Exchange \[BOOST Your Profits\]](#)

W00dL3cs - October 3, 2013, 10:04 am

Hello guys, today I'm offering a free AdSense Click Exchange Service!

How does it work?

It's quite easy: just click AdSense banners on my website, and then send me a PM with your link! I'll click your banners, so we both will profit from it!

Do I need any specific requirement?

Just two: do not be dumb, and do not abuse.
Uh, and be sure to have a brain.

How much will I earn?

Well, it mostly depends on your website content etc, but on an average, every AdSense click is worth 30 cents.

When is the service available?

It's on 24/7: after you've clicked my banners, just send me your link, and I'll click on yours as soon as possible.

Ok, so gimme your website?

Here it is: <http://teachmetoearn.blogspot.com/>

PS: Open in it in incognito mode, so that Google will avoid to collect your data etc.

If I were you, i'd disguise that link, if Google finds out, they will ban you from the Adsense Program.
Do it secretly if anything.

Seriously? This is pathetic. Especially for those upgraded members, expected something more HQ, such as reading the dates of the posts.
