Thread: [\[FUD\]\[15days package\]Crypting service, Rat setup, and much more\[FUD\]\[15days package\]](#)

ddrunkmunkey - October 4, 2013, 11:59 am

services i am offering:

FUD crypting RAT or KEYLOGGERS with 15 days package, i will recrypt if it gets detected [Will not bind my server, will show on team viewer to reputed members]

No dependency

RAT setting up[Dark comet, cybergate, blackshades, jRAT, imminent monitor, spynet or anyone else]]

no-ip client set up

port forwarding

test slaves

team viewer support [I will try my best]

I will take maximum 20 customers.

For single crypt, i will take 1 usd paypal/Bitcoin.

pricing:

I will take 5usd for complete package from each members.paypal or bitcoin only. i will take 4usd from first 5 customers.

contact:

skype:ddrunkmunkey and PM. feel free to pm me if you have further offer or any negotiation.
FOr high profile vouched member i will go first.

Note: for my educational purpose i need this money. i ensure no corruption or no scamming.

thanks

Very nice user, did a quick crypt and it worked (tested it on few bots).

Thanks a lot man

Highly recommended
