Color Burn and Mjaji are absolutely brilliant. Total genius. The rest I'm not so keen on, but Poseidon's piece is quite nice.

Just stunned by the quality that FBN's members can produce; you guys have an unbelievable amount of talent!

Mjaj's piece looks fucking dope. Loved everyone's piece, but Mjaj's appealed to me in more ways than one. Good job guys!

AWSOME ARTWORK.

I really admire your design.

Keep it up bro.

ButtholeSurfer - October 4, 2013, 10:18 pm

Holy shit the color burn made me cream
