Love ya' <3 - NO HOMO!

Welcome to Tiszy's contest!

What is Tiszy's contest? Tiszy's contest is a contest that will be held often. Many contest every month, maybe many contest every week! A lot of stuff will be given out, like cash, awards, prices, etc.

If you already have some of the things listed, you can ask for money instead of receiving it. For example, you can ask for money, like everything in money instead of the items. We'll both discuss what the official amount of money should be.

What do I give away:

Emerald award(THIS MAY BE CHANGED ANY TIME SOON)

Gift award Steam games Hacker Evolution: Untold BIT.TRIP RUNNER

Jamestown NightSky

Shank Super Meat Boy

A.R.E.S.: Extinction Agenda

5\$ Payza

5\$ PayPal 5\$ Perfect Money

0.05 BTC

Requirements:

Atleast a member for one week

Positive reputation

* Not on my ignore list

How do I apply?

Simply post a number between 1-100(if many applies, it will raise), and I'll add you to the list. The winner will be chosen by random.org. The winner that gets the number, gets the whole plot.

How do I know if I got accepted to the contest?

You'll be added to the list at the bottom of the thread, and I'll also PM you that you got accepted into the contest :)

I've now PM'd mufos, and I'm talking with him on skype now. He don't want the awards, etc. since he's not so active, so he want everything as "general money". He'll soon post proof of his received money.
