i said upload on ge.tt

im wait for re-upload ..

Galileo Galilei - October 5, 2013, 9:43 am

add you on Skype ^^ also when i try putting the file on ge.tt it says This "file has violated the terms of services"

could i just use Mediafire?

NaKiMiJasi???????????? - October 5, 2013, 9:43 am

i will pm you right now , thanks for bots

I'm sorry but I would like to borrow this thread in order to ask what program you are using for your Botnets. Is Cythisia still the most popular program or are there any better out there in the jungle?
