Thread: [L33thx0r2013y0l0swegh4's Hosting Shop VPS Windows - Linux 100Mbps - 1000Mbps.](#)

l33thx0r2013y0l0swegh4x - *October 5, 2013, 4:34 pm*

Hello there guys and welcome to my thread, I finally decide to take me time and finally ready to sell my servers, my servers network speed is 100Mbps at Linux servers and 1,000Mbps at Windows servers.

I'll only accept BTC at the moment, sorry.
