Thread: [100% FREE Xbox Live 48 Hour Codes!](#)

Krave - October 9, 2013, 10:51 am

I am giving these away as there is no point selling as they're so cheap. I got about 1.2k codes and want to give them away.

Please note these do not stack and need to be used on a silver account.

You may request every 2 days when your codes run out.

Enjoy! L33T/UB3R only.

It is a paid upgrade on this website. L33T is the first upgrade and UB3R is the second which you need to be approved for :)
