You don't need a phone, the screenshots were just taken from one.

Ellie Goulding - October 9, 2013, 3:09 pm

Woah, that's sick. xD I don't know if it'll work though since the link isn't loading at all for me. :/

Mind getting me a \$10 Amazon Code since I don't have a phone? ;D <3

Nikolas - October 9, 2013, 3:15 pm

Fix Yo Bottles - October 9, 2013, 3:19 pm

Could anyone vouch for this method?

Ellie Goulding - October 9, 2013, 3:20 pm

EDIT: The website finally loaded, gonna sign up and try it :)

Fuck, I gotta add my own billing address with my credit card and everything.

Don't have a CC. Anyways, I'm not gonna try this. :P But thanks OP!

Mr. 9 - October 9, 2013, 3:24 pm

Nice but just wondering can you do it multiple times?

Ordinary - October 9, 2013, 3:27 pm

I just got an amazon gc for 10\$, I am going to see if I can do it again.

I just got 2 10\$ amazon gift cards free :)

b0ngt0ker420 - October 9, 2013, 3:48 pm

Nice find. Got my codes and some free red box rentals.

I get this error.

SHIFT? - October 9, 2013, 4:05 pm

I cant find the amazon gift cards anymore

Twitch? - October 9, 2013, 4:26 pm

Fuck, I'm getting the error. I'll try later I guess.

SHIFT? - October 9, 2013, 4:27 pm

Is this in any way illegal if we do it multiple times ?

PRSoloGFX - October 9, 2013, 5:23 pm

Thank you very much, can this be done multiple times?

sardinemaster - October 9, 2013, 5:42 pm

Does this only work in the US? Or are the gift cards usable in any amazon site? (I'm interested in the UK one)

Also, when you create the gathr account, must you use real details?

Thanks.

Ordinary - October 9, 2013, 5:44 pm

Got 40\$ worth of amazon gc so far :)

PRSoloGFX - October 9, 2013, 5:47 pm

How did you do it more than once? When I tried to register again it already had my CC on file. Do I have to clear my cache?

EDIT: I just tried it again and it says I have reached the maximum amount for this household, I'm guessing either change the address or the IP address.

EDIT: NVM I got it lol.

Swag-Master - October 9, 2013, 7:28 pm

sites down for me anyone else down ?

PRSoloGFX - October 9, 2013, 7:30 pm

Yeah, looks like it's down for maintenance..

b0ngt0ker420 - October 9, 2013, 7:33 pm

Just so y'all know, does charge a \$1 to the credit card but still worth the gift codes you get.

King Exchanger - October 9, 2013, 7:38 pm

Down for maintenance still :/ LAME

Will try later.

ChrisDoPho - October 9, 2013, 9:46 pm

Interesting, I hope it still works after the maintenance.

What did you change to make it work ? IP ? or simply fake info ?

I used the same CC with very slightly different address, like I changed the house number by 1. Not sure if it kept working since it didn't authorize my payment after doing it twice.

But it seems like the changed the site quite a bit, looks like the caught up to people doing this just for the GC's.

sardinemaster - October 10, 2013, 11:08 pm

Sorry to ask again, but I'd really like to make sure:

Do the gift cards work internationally?

Thanks.

AnGrY Bo - October 11, 2013, 4:05 am

I can't sign up, does it need invitation ? or tell me how to sign up?

Seems registration has been closed. Invitation only. They probably found out people were doing this for the gift cards only.

Yota - October 11, 2013, 8:40 am

too little too late i guess. Better luck next time

Buddha - October 11, 2013, 3:43 pm

Chisle - October 11, 2013, 3:44 pm

Jackster2014 - October 12, 2013, 12:28 pm

Camf ? - October 14, 2013, 2:32 pm

Dang, I wanted to try this pretty bad :)

Nice share!

Swag-Master - October 14, 2013, 7:24 pm

It back up if anyone could help me use this it would be great.

Miami Vice - October 15, 2013, 2:37 am

Wouldn't let me sign up for some reason, not taking my credit card.

ThatWiseguy - October 15, 2013, 2:40 am

It wouldn't let me sign up either. I wanted a gift card:(

PRSoleGFX - October 18, 2013, 7:31 am

To anyone who did this be careful, one of my cards got suspended due to "fraudulent activity." So I can't login to the website where I check my card balance. The website most likely issued a complaint against people who did this.

They can't complain when it's them who set it up.

I decided to not try it. I'm not one for putting my card information into a random site.

Well I can only guess it was them since that's the only place I've put my info recently.

Drizzled - October 18, 2013, 5:07 pm

Do you need a credit card to do this? Should've mentioned it in OP.

Grimace - October 19, 2013, 3:38 pm

On the waiting list...
