Thread: [\[Cheap Like hell\]A short Time Best Crypting service. \[Cheap Like hell\]\[FUD\]\[Stable\]](#)

ddrunkmunkey - October 11, 2013, 11:10 am

hello there. i am offering the best quality crypting service for short time.

Single Crypt ensuring 12 days FUD. if it gets detected, i will re-crypt it. I will gaurantee 12 days FUD server.

its cheap as i said, yes.. 2usd to 3usd per crypt. it depends on the customization you require and the support time you need.

I have vouches of crypting service. i will try to do my best :)

thanks.

add my skype: ddrunkmunkey

its FUD if you pay me. i do re-crypt if gets detected. anytime i am online on skype. just send your server. RUNTIME and SCANTIME FUD and most stable i can assure you. try it now :)
