It doesn't seem to work. :(

Vaxorr - October 13, 2013, 10:02 am

fixed the video link enjoy the video guys ?

The logo looks very good to be made in 3 minutes!

pretka - October 13, 2013, 1:45 pm

Thanks, its simple and also very beautiful:)

Handsome Banana - October 13, 2013, 2:06 pm

That's a very nice tutorial. Shame no voice over though.

The Sig you made looks really nice. It would have been nicer with a VoiceOver, or hearing your instructions. Overall, it's a good tutorial. Thanks!

Great tutorial, thank you so much! ?

RUNFORRESTRUN - May 19, 2014, 1:11 pm

thank you for the tutorial great share for the graphics section

Picksley - May 21, 2014, 11:00 am

Its a great tutorial but the resolutions shite on my screen. 480p Fair enough but on a 1920x1024 screen, shit haha

Devisual - May 21, 2014, 3:09 pm

Thanks for the tutorial, keep up the good work!
