Thread: [Looking for a partner! - Must be able to spread \(High Downloads\) Earn \\$10-200 a day](#)

KingRaider - October 14, 2013, 3:15 am

So anyways I have a method I wanted to try out and anyways I am looking for a partner that can spread my virus to multiple computers, we will be able to make top dollar depending on the people.

More people = More \$

Anyways, want to become my partner?

Add me on skype: ChaosCheif

Or simply pm/comment and we can get started immediately.
