Quote:Mocha Stealer is an advanced password and CD Key reclaiming program. Once you have installed Mocha Stealer on the computer you wish to reclaim information from you will be able to view all gathered information from the helpful steal section in the member's section. We are implementing new programs and websites in which we regain information from almost daily. We have attentive members of staff who are always ready to help either through the support system, or over Skype!

There will be 15 spaces for entry. I will be checking each user twice a day to check you are wearing the signature, if you are not, you will be excluded from the contest.
