This thread has been posted ALOT.What a bummer, I will certainly not use the email I created then.

EXPO Soarin - October 17, 2013, 5:53 pm

Woah! That's pretty sweet! That would definitely be something interesting!

they are not official microsoft domains, yet again u can use the email on every website.

EELS - October 18, 2013, 6:00 am

I've seen these quite a few times but there are some people that don't know about them.
Thanks for sharing man. :)
