--> [Dox] - Free Doxing Service! - [Dox] <--

Hi,

I'm offering a free Doxing service to l33t & ub3r members.

I have been Doxing for around a year now and like to think I'm good at it. I want to improve my skills more by offering this service.

I need you to supply any information you already know about your victim.

TOS

I will not Dox any HF member, I can't guarantee anything but i will give it my best shot, I can only do one victim at a time. I can show other Dox i have completed before.
