Thread: [FIND THIS FREAKING SONG PLEASE \[LOST SONG OF GANG TAPES\]](#)

prodigyhf - October 21, 2013, 7:10 pm

This entire video has the song playing in the background. It is a mystery song because as far as I know, it simply doesn't exist. I need your help to find it.

The video clips are from the movie Gang Tapes.

So far, the only lyrics I can decipher are:

"Don't you know, we gotta get our paper yeah we gotta get our dough"

and

"Pop like cherries"

If you can understand any other lyrics, let me know. If you know the name of this song, PLEASE LET ME KNOW.

Here is a higher quality video.

And in this video the song starts at 9:32.

Been searching for a good hour mate and I don't think it exists anywhere. I've read around people saying it's underground so don't think it will have been properly released apart from on homemade CD's!
