Just to go off your Q&A. There are no more 'official' reviewers on HF.

I would purchase this but I might wait to see more people vouch as I'm not sure about this.

Cybriss - October 23, 2013, 4:40 am

Does this involve selling some sort of game currency?

Minnesota - October 23, 2013, 4:32 pm

(Oct 23, 2013 04:40 AM)Cybriss Wrote: [\[CITE\]](#) Does this involve selling some sort of game currency? You get the gaming currency, item or account even. You can keep it for yourself or you can sell it.

Illuminati???????????? - October 23, 2013, 6:53 pm

Saving this for later might buy tomorrow!

#Derp - October 23, 2013, 8:15 pm

Looking at this. Deciding if i will buy it

BarbarianNetworks - October 23, 2013, 8:19 pm

Pretty sure I know what this is, I use to make \$2,000/\$4,000+ a week using the method (if it's what I think it is.)

Jeff Jordan - October 23, 2013, 9:03 pm

Will I have to actually play online games? Or would I just be working with the online currency, etc? Because I have no idea how to play most online games to be honest.

Is it possible for this to become saturated and if not, why are you selling for so cheap?

Chills - October 26, 2013, 8:30 pm

Is this just martingale?

Because if it is, Imma cut someone.

This eBook has a lot of potential in it, so far I cannot complain.
I'm willing to put time into this method and I'm sure I'll come out with something in the end.

pstopman - October 27, 2013, 12:52 am

vouch this works, but i would say this is blackhat imo...

Minnesota - October 27, 2013, 10:04 pm

Sales are back to \$10 and will rise to \$30 on Thursday.

elzach10 - October 27, 2013, 10:07 pm

can i get a copy pming you now about it

Christian Bale - October 27, 2013, 11:09 pm

Has anyone actually had success with this method?

Minnesota - October 28, 2013, 2:21 am

Of course it works otherwise i wouldnt be selling it.

Jerral - October 28, 2013, 4:52 am

hello
i want some details about this method...
is it blackhat?
does it work worldwide?
is there any payment proof so far?
thank you in advance

Minnesota - October 28, 2013, 10:15 am

I Have messaged you with the answers Jerral, No BlackHat, Yes WorldWide and There is lots of

proof.
