Your NL dedicated servers are hosted by Ecatel correct?

TSWR™ - October 23, 2013, 4:05 pm

This is one great deal, a user would be stupid to pass it up.

Protection your MC server/website!

Typo?

TheDarkTongo - December 11, 2013, 12:18 am

I hope you don't have protection on your website - almost dropped the thing with 25gbps-.
